GENERAL AND REVENUE SECRETARIAT

Serial Nos. One

Part B for December 1947

SUBJECT

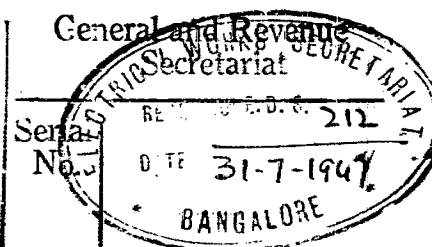

Condonation of interruption in
the service of Mr. A Ramakrishna
Secretary to Government, Railways and
Electrical departments

Serial
No.

I beg to submit that after my graduation from the University of Wisconsin with the degree of Master of Science in Electrical Engineering and completing a course of practical training in America, I was first entertained in the Electrical Department as a Research Assistant to the Chief Electrical Engineer on 1-12-'27, and worked as Acting Asst.-Chief Line Inspector (now called Assistant Superintendent of Lines) from 1-7-'30 till 10-12-1931. On account of the disappointment I then suffered for want of sufficient encouragement and the very little chances of promotion, I resigned my appointment on 10-12-1931 after rendering a service of 4 years and 10 days, and entered the service of the Tata Hydro-electric Company, Bombay

2 I was subsequently re-entertained in the Electrical Department on 14-11-1934 as Technical Assistant to the Chief Electrical Engineer. Since then and prior to my present appointment as Secretary to Government for the Electrical and Railway Departments, I have served the Government of Mysore in various capacities viz., Technical Assistant to the Chief Electrical Engineer. Superintendent of Transmission Lines. Deputy Chief Electrical Engineer. and General Superintendent of Generation, Sivasamudram, discharging my duties to the best of my ability.

3. At the time of my resignation I had earned a combined leave of over 13 months (4 months and 12 day privilege leave and the balance furlough) of which I have actually availed of only one month and two days privilege leave. Between the date of my resignation and my subsequent re-employment there is thus a break in my service of 2 years, 11 months and 4 days

4) As Government have recently sanctioned the benefit of pension scheme to the entire staff of the Electrical Department, I have elected to come under the pension scheme. If my service is reckoned from only the date of my re-entry into service, I will have rendered on the date of superannuation a service of approximately 21 years and 7 months, against 25 years of qualifying service required by the Mysore Service Regulation, with the result that the amount of pension I will be eligible for would be materially affected

5) I, therefore, beg to request that Government may be pleased to kindly condone the interruption in my service from 10-12-1931 to 13-11-1934 under Article 271 of Mysore Service Regulation by treating that period partly as leave which I was entitled to prior to 10-12-1931 and the balance as leave without allowances.

As Government were pleased to sanction condonations of break in service in several cases hitherto including those of the Electrical Department as in the cases of Messrs. A. Clarke, Hydraulic Assistant, Sivasamudram, M.S. Ramachandra Iyer, Store-keeper, Sivasamudram, S.K. Iyengar, Lamp and Line Inspector, Bangalore Power & Lighting, and Dr. B. Jayaram of the Medical Department, I shall be very grateful if the same favour may very kindly be extended to me.

Submitted to His Highness.

Mr. R. Ramakrishna, General Superintendent doing duty as Secretary to Government Electrical and Railway Departments, was first entertained in the Electrical Department as a Research Assistant to the Chief Electrical Engineer on 1st December 1927. He worked as Acting Assistant Chief Line Inspector (now called Assistant Superintendent of Lines) from 1st July 1930 till 10th December 1931 when he resigned his appointment being disappointed at the inadequate encouragement he received and the very little chance of promotion.

He was re-entertained in the Electrical Department on 14th November 1934 as Technical Assistant to the Chief Electrical Engineer and since then he has been serving Government in various capacities.

Mr. Ramakrishna has now represented that between the date of his resignation and his re-employment in the Electrical Department there is a break of service of 2 years, 11 months and 4 days, that at the time of his resignation he had earned a combined leave of over 13 months of which he had actually availed only one month and two days privilege leave, that if his service is reckoned from only the date of his re-entry into service his pension will be materially affected and has requested that the interruption in his service from 10th December 1931 to 13th November 1934 may be condoned under Art. 271 of Mysore Service Regulations by treating that period partly as leave which he was entitled to prior to 10th December 1931 and the balance as leave without allowances.

It is proposed to sanction the request of Mr. Ramakrishna.

All the Ministers are agreeable to the proposal.

I solicit the gracious sanction of His Highness to the above proposal.
